**Request No. AG-7-67 (Electric)**

Referring to Schedule MHC-5, page 3, please provide a complete and detailed description of the nature of the "Relocation" expense indicated on that page. Please also indicate if that amount was incurred for any employee of the corporation and if so which ones.

**Response:**

The relocation line on MHC-5, page 3, reflects expenses for accounting, finance, and technology services departments. \$4,166 relates to the accounting and finance departments, and is the relocation expense for the former controller. The remaining \$21,475 represents placement fees for two technology services employees and should have been charged to an outside services account (account 923). Although the latter expenses are not relocation expenses, they are Unitil Service expenses that should be charged to distribution operations.
